

Psychobiology Major – Prerequisites & Example Path

Please note:

- 1) Your track (Organismic or Molecular) determines credit distribution across electives.
- 2) Cross reference with Major Requirements: http://psychobiology.binghamton.edu/Psybio_Worksheet.pdf
- 3) **You must have 3 LABS (200+) and 20 credits of Upper Level (300+) Electives!**
- 4) You must also fulfill Harpur & Gen Ed requirements...typically students take 8 semesters to finish a 4 year degree.
- 5) AP equivalencies: <http://harpur-advising.binghamton.edu/transfer/ap.html>
